

Announcement Letter October 2015

Dear Brethren:

Because of the Holy Day season and the timing of the Feast of Tabernacles in particular, this is one of those times that, in past years, we would usually forego producing a *Monthly Letter*. However, in the interest of keeping in touch with all of God's people around the world as often as possible in these critical times, we have generated this brief issue for you and hope that it will be of value.

We are enclosing an historical *Monthly Letter* written by Mr. Raymond Cole for November 1984, and believe it will be enlightening. The further we advance in time, the more some of these past writings seem to increase in significance. A good test of the wisdom of any written work is its ability to remain timeless and valuable to future readers. This is one of those works.

Since many of you will receive this mailing after you return home from keeping the Feast, we pray that you will have had a very rewarding experience and that you will be renewed in your enthusiasm and commitment to "staying the course" in serving the One True God. What a privilege it is to know the Truth and to have the hope of that glorious future He has promised to deliver. We share with you all the joy of that master plan, and we look forward to continuing to serve you in the coming months.

New Moon

The new moon, Heshvan (eighth month), begins Tuesday, October 13. The new moon day is Wednesday, October 14.

Trip Schedule

Mr. Jon Brisby

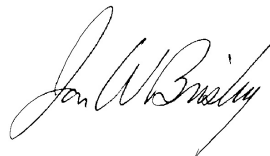

November 14..... Launceston, Australia

November 21..... Sydney, Australia
